

FISCAL NOTE

SB 1689 - HB 1482

March 21, 2003

SUMMARY OF BILL: Provides that all buildings that are required to have plans and specifications prepared by an architect or engineer registered in the State of Tennessee are also required to have a registered architect or engineer provide construction phase services.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Any increase in state expenditures to implement and monitor the provisions of this bill is estimated to be not significant.

The state requires design professionals to monitor construction; therefore bill would not impact state construction.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.

James A. Davenport, Executive Director
